

## Long Range Planning Committee Charter

### Functions:

The Long Range (strategic) Planning Committee shall identify key variables and risk factors that current and future leadership may need to face, and what actions and reactions should be considered.

### Duties:

- Test the range of likely outcomes of strategic decisions.
- Communicate same to the Tin Whistle membership.
- Engage all Tin Whistles stakeholders in the process.

### Deliverables:

- Development of an Assessment of Strategic Opportunities on an annual basis looking out at least three years.
